3 OLD BUSINESS

- a) Current Projects Update

Presenter: Sara Perricone, Board Chair

Ms. Perricone stated there is not much new with the Sculpture Trail. Chief Barbee, Deputy Town Clerk Sam Johnson-Phillips and Town Clerk Heidi Holland worked on a new SOP to fine tune the Sculpture Trail process. Each department involved provided their input and their tasks in this project.

Ms. Helmer was not able to make it tonight and Ms. Perricone read a blurb from her to read in her absence. There was discussion on the loom project. Each time this project is lent out, new yarn would need to be purchased. Currently the looms are with Jane Robert's daughter who is a teacher at Powhatan Elementary. She would keep these for a minimum of 12 weeks. After the students complete the project, they would be displayed at Town Hall in the lobby with the CVA art exhibit, then go back to Powhatan. Shared were photos of loom examples and the bag they come in.

Ms. Murray provided an update on the Greenway Art. Shared were examples of the circles. The circles will be ready to be installed next week. Then they would start on the triangles.

Regarding the Knit Bombing project, Ms. Murray stated on October 8th, these would be put up. The smaller trees in Horne Square would have the full wrap around it. The larger trees would get three bands. She does not want anyone climbing, these would only go as high as we can reach. Each volunteer would get one bag for each tree. A card in the bag would tell the volunteer what tree they are assigned to. Shared were examples of the knit bands. The trick is to stretch these, so they are nice and tight. It was stated this would be best to be a two-person team.

Regarding the website, Ms. Ryan asked if any content is needed. Ms. Holland stated at this time there had not been an update, but she would check with the Communication Department. Ms. Ryan stated if there are any pictures from any past events that could be provided for the website.

There was discussion on having sculptures along the Greenway Trail.

Ms. Perricone discussed a meeting some of the board members had with DDA. There are a couple of businesses at the end of Main Street that would like more traffic during Last Friday. The two boards met to discuss this. One idea was to evaluate the area to see if a sculpture could go there, it was stated there may not be enough space. Board members provided suggestions to these businesses on how they could market more traffic. Ms. Murray stated a couple of the columns in that area would be wrapped with knit squares.

Ms. Nobles suggested having a mural of angel wings. Ms. Murray stated she had mentioned it to them for that area. The owner of the building would have to give the approval of a mural on the building. Ms. Murray suggested they could rent the horse and buggy that Manning's used to do, that area could be a pickup and drop off area. They could sponsor it and that could become a traffic spot.

Ms. Perricone asked board members to look at opportunities to look at grants. Ms. Nobles said we could apply for one through the JCA.
