**1. CALL TO ORDER**

**2. JACOBS ENGINEERING PRESENTATION**

This meeting is going to be a workshop led by Jacobs Engineering.

The Town of Clayton has contracted for a condition assessment and adaptive reuse study for the Old Town Hall building to provide options for the long-term use of these Town properties.

This meeting is intended to gain input from key stakeholders in order to ensure a thoughtful and thorough analysis of multiple options are considered.

**3. ADJOURNMENT**
