## **Town of Clayton Budget Message Fiscal Year 2022**

## Executive Overview

Fiscal Year 2021 has been both a pioneering and unheard-of year due to the pandemic. The Town successfully navigated several executive orders from the Governor while adapting our operations and workforce to maintain continuity in the core services we provide. Our first responders were confronted with an unprecedented and challenging year. Hats off to them for their bravery and dedication to the community. Accolades are bestowed upon all employees for their commitment and service. Council and Department Heads are recognized for providing unwavering leadership.

The Town is well positioned to reemerge from the pandemic and reconnect with our community. Moody's recently upgraded the Town's credit rating from Aa2 to Aa1, which is one notch below the highest Aaa rating. Programs and services offered by The Clayton Center, Library, and Parks and Recreation are returning and well received by the community. Town Hall has reopened to facilitate services provided to utility customers and developers. The Town continues to provide a safe environment and will follow the protocols recommended by the CDC.

Sales tax revenues have remained strong throughout the pandemic and are running approximately 19.4% higher than fiscal year 2020 and 41% higher than budget for fiscal year 2021. The projection for fiscal year 2021 is \$1.7 million higher than budget and \$1.2 million, or 24.9%, higher than fiscal year 2020.

Ad valorem tax revenues for fiscal year 2021 are projected to be 1.2% higher than the budget. The year-to-date collection rate is 98.6% compared to 98.9% for the prior year. The budget for fiscal year 2021 assumed a 98.9% collection rate and the projection for fiscal year 2022 is 98.5%.

Building permit revenues have remained consistent with fiscal year 2020 activity despite the pandemic and are projected to be slightly higher than the budget for fiscal year 2021.

The recommended budget for the Town's three primary funds is as follows: General Fund - \$35,599,277; Water and Sewer Fund - \$32,400,887; Electric Fund - \$15,912,211.

| <b>TOWN OF CLAYTON</b>                    |                      |                      |                      |
|-------------------------------------------|----------------------|----------------------|----------------------|
| <b>FY 2022 Expenditure Budget Summary</b> |                      |                      |                      |
| <b>Expenditure Budget</b>                 | <b>General Fund</b>  | <b>W&amp;S Fund</b>  | <b>Electric Fund</b> |
| Salaries and Benefits                     | \$ 19,777,760        | 2,288,703            | 1,209,259            |
| Contract Services                         | 5,108,594            | 4,478,322            | 386,144              |
| Operating Expenses                        | 7,858,366            | 2,089,697            | 609,556              |
| Programs                                  | 336,257              | 7,050,703            | 10,139,390           |
| Special Appropriations                    | 550,951              | 60,488               | 32,499               |
| Debt Service                              | 1,986,192            | 2,021,319            | 572,075              |
| Capital Outlay                            | 3,989,947            | 7,816,731            | 1,598,402            |
| Miscellaneous                             | (4,008,790)          | 6,594,924            | 1,364,886            |
| <b>Total</b>                              | <b>\$ 35,599,277</b> | <b>\$ 32,400,887</b> | <b>\$ 15,912,211</b> |

An unchanged tax rate of \$0.58 per \$100 in valuation is proposed. One penny (\$0.01) of tax levy for real and personal property will generate \$268,730 of tax revenue per year, excluding registered motor vehicles, which will add an additional \$23,860 of tax revenue per year. Sales tax revenues are conservatively budgeted

to increase 3% based upon the projection for fiscal year 2021, which aligns with the revenue projection published by the North Carolina League of Municipalities. Ad valorem tax revenues are budgeted to increase 5.6% compared to the budget for fiscal year 2021. The budget includes a 3% pool for salary adjustments plus the related benefit cost; the monthly employer contribution to participate in the State's health plan is projected to increase 7%, or from \$521.96 to \$558.50; and the retirement contribution will increase 1.2%. Water and sewer rates are budgeted to increase 5% and 9.5%, respectively, which results in a 7.42% average increase for 4,000 gallons of usage for an intown customer. The combined total monthly rate is \$88.49 compared to the current rate of \$82.38 for 4,000 gallons of usage. No increase in electric rates is proposed.

The budget recommendation includes the addition of 35 new positions as follows: General Fund – 29 positions, including 13 in public safety, at a total cost of \$1.7 million; Water and Sewer Fund – 5 positions at a total cost of \$0.3 million; Electric Fund – 1 position at a total cost of \$0.06 million for a grand total of \$2.1 million. The primary justification is project delivery and service enhancement. The ability to deliver projects, including those listed in the capital improvement program, will be significantly impaired in the absence of seven new positions in the Engineering department, not to mention potentially delaying the \$18 million general obligation bond program for parks and recreation projects.

The following is a breakdown for how our community's tax dollar is spent:

## **Other Highlights**

- General Fund is slightly higher than the \$35.5 million amended budget for fiscal year 2021. A \$0.9 million fund balance appropriation was required to balance the budget primarily due to non-recurring costs for contractual services and software enhancements.
- Water & Sewer Enterprise Fund is \$5.1 million higher than the \$27.3 million amended budget for fiscal year 2021 primarily due to higher capital outlay and debt service associated with the AMI project. Utilization of \$3.6 million of funding from the American Rescue Plan in conjunction with a \$0.4 million fund balance appropriation were required to balance the budget.
- Electric Enterprise Fund is \$0.3 million lower than the \$16.2 million amended budget for fiscal year 2021. Finance capital of \$0.4 million in conjunction with a \$0.3 million fund balance appropriation were required to balance the budget.
- Investment earnings will remain flat due to historically low interest rates.
- A midyear budgetary review will be performed and reported to Council.
- The merit program will be reorganized with an expected implementation in fiscal year 2023.
- Refer to the Preliminary Budget Review section in the Budget Book for more detailed information.

## **Initiatives and Goals**

The Town's primary goals are re-establishing relationships with the community as programs and services reemerge from the pandemic; project delivery that will focus on the capital improvement program, particularly the \$18 million general obligation bond program and Neuse River Water Reclamation Facility; promoting flexibility to operate more efficiently as circumstances and expectations change.

The organizational restructuring created a risk management function that will be implemented after completion of the risk assessment review performed by an independent third party while the onboarding of a procurement and contracts manager will create a formal contract administration function and update of the Town's procurement policy in conjunction with establishing a more centralized purchasing function and increased utilization of State contracts and purchasing cooperatives, which will result in cost savings and operational efficiencies.

An emergency management coordinator ("EMC") was added to the Fire Department and is the first of its kind in Johnston County. The EMC is responsible for preparing plans and procedures for responding to threats such as a natural disaster, active shooter, and other emergencies in conjunction with facilitating the Town's special event process, which is critical to a successful reemergence from the pandemic.

Property Maintenance will become a standalone department beginning in fiscal year 2022. The organizational realignment removed this function from Public Services and will provide a

centralized approach to managing this function with three divisions as follows: Custodial; Facilities; Grounds.

## **Conclusion**

The recommended budget will serve as the blueprint for fiscal year 2022. Challenges are encountered during the budget process that require problem solving and teamwork to achieve a successful outcome. While a clearer snapshot of the pandemic's impact on our local economy was present during this year's budget process, the possibility of revenue shortfalls remain as the pandemic lingers. A midyear budgetary review is recommended in the interest of prudent fiscal management followed by a report to Council. This budget is responsible in that it provides the necessary resources to deliver critical projects while facilitating Clayton's transition to a large town by appropriating funds to provide programs and services effectively.

I want to express my thanks to all of staff that helped prepare this budget and especially the Executive Team (Interim Town Manager Rich Cappola, Deputy Town Manager Dolores Gill, Fire Chief Lee Barbee, and Police Chief Greg Tart). Again, we are well positioned financially and have excellent leaders in each department ready to lead Clayton into the future.

Respectfully,

Robert W. McKie, Jr.

Finance Director
