*P*ROCLAMATION

Constitution Week 2017

Whereas, September 17, 2017 marks the two hundred thirtieth anniversary of the drafting of the Constitutional Convention; and

Whereas, it is fitting and proper to officially recognize this magnificent document and the anniversary of its creation; and

Whereas, it is fitting and proper to officially recognize the patriotic celebrations which will commemorate the occasion; and

Whereas, Public Law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17 – September 23, 2017 as Constitution Week;

NOW, THEREFORE, I, Jody McLeod, Mayor of the Town of Clayton on behalf of the Clayton Town Council, do hereby proclaim September 17 – through September 23, 2017 be recognized as **CONSTITUTION WEEK** in Clayton.

Duly adopted this 2nd day of October, 2017 while in regular session.

Town of Clayton
Amendment to the FY 17-18 Budget

BE IT HEREBY ADOPTED BY THE TOWN COUNCIL FOR THE TOWN OF
CLAYTON that the following amendments shall be made to the FY 17-18 Budget:

Fund: General Fund and Police Special Revenue Fund

<u>Line Item</u>	<u>Previous Appropriation</u>	<u>Adjustment</u>	<u>Revised Appropriation</u>
Revenue			
100-40-00-48 99	Fund Balance Appropriated \$38,000	+8,191	\$46,191
212-42 50	Drug Seizure Revenue – Federal \$0	+4,728	\$4,728
212-48 99	Fund Balance Appropriated \$0	+12,419	\$12,419
Expenditures			
100-50-00-55 06	Drug Seizure Funds – State \$0	+8,191	\$8,191
212-55 05	Drug Seizure Funds – Federal \$0	+17,147	\$17,147

-Explanation: Amendment necessary to reflect the appropriation of Fund Balance to purchase equipment for police investigations with the proceeds from unauthorized substance tax distributions (USTD) from the State and forfeited property from the U.S. Department of Justice Asset Forfeiture Program, which were received in prior years. The General Statutes (G.S. 105-113.113) mandates the Department of Revenue to distribute 75% of the USTD funds to the local law enforcement agency that conducted the investigation of a dealer that led to the assessment. The State establishes a special nonreverting account for the USTD funds. The Controlled Substances Act, Section 881(e)(3) of Title 21, United States Code authorizes the sharing of forfeited property. All funds received from USTD and the forfeiture program are restricted to directly enhancing the law enforcement activities of the Clayton Police Department.

Duly adopted this ____ day of _____, 2017 while in regular session.

APPROVAL CRITERIA

All applications for a Rezoning must address the following findings:

1. Consistency with the adopted plans of the Town.
The subject parcels are surrounded by R-E zoning classifications and residential uses. This rezoning will unify the subject area once rezoned to the R-E classification.

2. Suitability of the subject property for uses permitted by the current vs. the proposed district.
The subject parcels are currently used for single family residential and this rezoning will provide a consistent zoning classification with the use.

3. Whether the proposed change tends to improve the balance of uses, or meets specific demand in the Town.
This rezoning will unify the subject area once rezoned to the R-E classification.

4. The capacity of adequate public facilities and services including schools, roads, recreation facilities, wastewater treatment, potable water supply and stormwater drainage facilities is available for the proposed use.
The use of the subject parcels is currently single family residential and will not be altered as a result of this rezoning. As such impact on public facilities will remain unchanged.

5. It has been determined that the legal purposes for which zoning exists are not violated.
The current use of single family residential is allowed in the R-E zoning district.

6. It has been determined that there will be no adverse effect upon adjoining property owners unless such effect can be justified by the overwhelming public good or welfare.
The proposed rezoning will not alter the current use and therefore not adversely affect adjacent property owners.

7. It has been determined that no one property owner or small group of property owners will benefit materially from the change to the detriment of the general public.
This rezoning will unify the zoning classification with adjacent properties and reduce possibility for future commercial development which could be deemed detrimental.

APPLICANT AFFIDAVIT

I/We, the undersigned, do hereby make application and petition to the Town Council of the Town of Clayton to amend the Zoning Ordinance and change the Official Zoning Map of the Town of Clayton as requested. REQUEST: Request to rezone the subject parcels from Neighborhood-Business (B-2) to Residential-Estate (R-E).

SITE DATA:

Acreage: 1.28 total acres
Existing Uses: Single-family residence

ADJACENT ZONING AND LAND USES:

Direction	Zoning	Existing Use
North	Residential-Estate (R-E)	Single-family residential
South	Residential-Estate (R-E)	Single-family residential
East	Residential-Estate (R-E)	Single-family residential
West	Residential-Estate (R-E)	Vacant

STAFF ANALYSIS AND COMMENTARY:**Overview**

The applicant is requesting to rezone the subject parcels from Neighborhood-Business (B-2) to Residential-Estate (R-E). The surrounding land uses are single-family residential, and all properties surrounding the subject properties are zoned Residential-Estate (R-E). In the past, these properties were used for vehicle repair, which is why they received the zoning designation of B-2 when brought into the ETJ. The properties are now used as a single family residence, and do not have any commercial uses associated with them. The applicant is requesting this rezoning to create consistency with surrounding land uses and prepare the property for future sale.

Compatibility with Surrounding Land Uses

The proposed zoning change to Residential-Estate (R-E) is consistent with the surrounding land uses, which are single-family residential.

Consistency with the 2040 Comprehensive Plan

The proposed zoning change is consistent with the Comprehensive Plan 2040, which designates this area as Agricultural and Rural Residential.

CONSIDERATIONS:

- Rezoning is decided by the Town Council. The Planning Board shall make a recommendation to the Town Council.
- When adopting or rejecting the rezoning, the Town Council shall approve a statement describing whether its action is consistent with adopted plans and/or policies of the Town and explaining why the Council considers the action taken to be reasonable and in the public interest.
- If approved, this rezoning will result in a modification to amend the official zoning map for The Town of Clayton.

APPROVAL CRITERIA:

The applicant has addressed the Rezoning Approval Criteria outlined in §155.704. The applicant's responses are incorporated as an attachment to the Staff Report.

STAFF RECOMMENDATION:

Staff is recommending approval of the rezoning of the subject parcels.

APPROVAL CRITERIA

All applications for a Rezoning must address the following findings:

1. Consistency with the adopted plans of the Town.
The proposed use is consistent with the adopted plans to the town.

2. Suitability of the subject property for uses permitted by the current vs. the proposed district.
The property is suitable for uses allowed in both the current zoning (I2 SUD) and the proposed zoning (I1 SUD).

3. Whether the proposed change tends to improve the balance of uses, or meets specific demand in the Town.
The proposed zoning meets a specific demand in the town. Thence is a need for outdoor storage yards.

4. The capacity of adequate public facilities and services including schools, roads, recreation facilities, wastewater treatment, potable water supply and stormwater drainage facilities is available for the proposed use.
There are adequate public facilities and services available to meet the needs of the proposed use.

5. It has been determined that the legal purposes for which zoning exists are not violated.
The proposed zoning does not violate any legal standards.

6. It has been determined that there will be no adverse effect upon adjoining property owners unless such effect can be justified by the overwhelming public good or welfare.
There are no perceived adverse effects on adjacent property.

7. It has been determined that no one property owner or small group of property owners will benefit materially from the change to the detriment of the general public.
No single property owner or group of property owners will benefit from the change in zoning to the detriment of the general public.

APPLICANT AFFIDAVIT

I/We, the undersigned, do hereby make application and petition to the Town Council of the Town of Clayton to amend the Zoning Ordinance and change the Official Zoning Map of the Town of Clayton as requested. REQUEST: Request to rezone the subject parcels from Industrial-Heavy Special Use District (I-2 SUD) and Residential-Estate (R-E) to Industrial-Light Special Use District (I-1 SUD).

SITE DATA:

Acreage: 6.04
Existing Uses: Vacant

ADJACENT ZONING AND LAND USES:

Direction	Zoning	Existing Use
North	Residential-Estate (R-E)	Single-family residential
South	Highway-Business (B-3)	Commercial
East	Residential-Estate (R-E)	Single-family residential
West	Residential-Estate (R-E)	Mobile Home Park

**STAFF ANALYSIS AND COMMENTARY:****Overview**

The applicant is requesting to rezone the subject parcel from Industrial-Heavy Special Use District (I-2 SUD) and Residential-Estate (R-E) to Industrial-Light Special Use District (I-1 SUD). There was a previous Special Use Permit approved for outdoor storage on the subject property, which subsequently expired. Consequently, the property is currently vacant. The surrounding land uses are a mixture of residential and commercial uses. The rezoning of the subject property to I-1 SUD moves the property into a less intensive zoning category, making it more compatible with surrounding zoning districts and land uses while allowing the owner to re-establish the previous approved use. In order to protect the surrounding residential properties, the applicant is proposing to keep the Special Use District on the property so that any proposed use in the future is subject to issuance of a Special Use Permit from Town Council (even if the use is typically permitted outright in I-1).

Compatibility with Surrounding Land Uses

The proposed zoning change to Industrial-Light Special Use District (I-1 SUD) is more consistent with surrounding land uses than the existing zoning category of Industrial-Heavy Special Use District (I-2 SUD). To further ensure compatibility with surrounding land uses, keeping the special use district on the property will require any proposed use, even uses permitted outright in I-1, to obtain a special use permit from Town Council in order to

be permitted. It is also worth noting that, if rezoned to I-1 SUD, the applicant will be required to provide a Class “C” landscape buffer along all property lines abutting residentially zoned districts, and a Class “B” landscape buffer along all properties zoned B-3. This will further protect surrounding land uses from the impacts of any potential use of the subject property.

Consistency with the 2040 Comprehensive Plan

The future land use map designates this property as “Agricultural and Rural Residential” due to the lack of water and sewer services available. While the proposed zoning change is not entirely consistent with this designation, it is less intensive than the zoning district the property is currently located in (I-2 SUD). It’s also worth noting that while this area is designated as “agricultural and rural residential”, all properties to the south are currently zoned Highway-Business (B-3) and are utilized for commercial uses. Therefore, the proposed zoning category is generally consistent with the current development pattern of this area.

CONSIDERATIONS:

- Rezonings are decided by the Town Council. The Planning Board shall make a recommendation to the Town Council.
- When adopting or rejecting the rezoning, the Town Council shall approve a statement describing whether its action is consistent with adopted plans and/or policies of the Town and explaining why the Council considers the action taken to be reasonable and in the public interest.
- If approved, this rezoning will result in a modification to amend the official zoning map for The Town of Clayton.

APPROVAL CRITERIA:

The applicant has addressed the Rezoning Approval Criteria outlined in §155.704. The applicant’s responses are incorporated as an attachment to the Staff Report.

STAFF RECOMMENDATION:

Staff is recommending approval of the rezoning of the subject parcels.

TOWN OF CLAYTON
ZONING AMENDMENT
CONSISTENCY AND REASONABLENESS STATEMENT

2017-130-RZ Bannister Property Rezoning

The Town Council of the Town of Clayton hereby states:

Section 1: The above referenced zoning amendment IS CONSISTENT with:

The Town of Clayton's Comprehensive Plan, specifically:

- Objective LU1: Preserve Clayton's small-town character while allowing for growth and development in appropriate areas.

Section 2: Based upon information presented at the public hearings and by the applicant, and based upon the recommendations and detailed information developed by staff and the Planning Board contained in the staff report, and considering the criteria applicable sections of the Unified Development Code of the Town of Clayton, specifically **(insert specifics to case)**

_____ ,

the above referenced zoning amendment is reasonable and in the public interest.

PUBLIC NOTICE

In accordance with NC GS 160A-384, the Clayton Town Council will hold a public hearing on October 2, 2017, at 6:30 PM at Town Hall, 111 East Second Street, to consider the following rezoning requests:

- 2017-130-RZ Bannister Property Rezoning for parcel number 164900-69-4913. The requested change is from Residential-Estate (R-E) and Industrial-Heavy Special Use District (I-2 SUD) to Industrial-Light Special Use District (I-1 SUD).
- 2017-115-RZ 3049 Barber Mill Rezoning, for parcel numbers 165701-35-1656, 165701-36-0164, and 165701-35-1902. The requested change is from Neighborhood-Business (B-2) to Residential-Estate (R-E).

The Clayton Town Council reserves the right to approve the request as presented or any portion of the request without necessity of withdrawal or modification of the application or additional public hearing on the matter. Likewise, the Town Council may designate approval to the district requested or another district or districts without modification of the request or additional public hearing.

This is an open meeting and the public is invited to attend.

REQUIRED FINDINGS OF FACT

Section 155.711(I) of the Unified Land Development Code requires applications for a Special Use to address the following findings. The burden of proof is on the applicant and failure to adequately address the findings may result in denial of the application. Please attach additional pages if necessary.

1. That the application will not materially endanger the public health or safety if located where proposed, and developed according to the plans as submitted and approved.

The application is for the adaptive reuse of Old Town Hall for conversion to up to 16 apartments. The property will be developed in accordance with the plans submitted to the Town and a Developer's Agreement which will be executed between Town Council and the development team.

2. That the application meets all required specifications and conforms to the standards and practices of sound land use planning and the Town Code of Ordinances and other applicable regulations.

The application has been prepared to ensure compliance with all Town of Clayton ordinance requirements. In addition, the adaptive reuse of existing structures is a common and sound land use practice.

3. That the application will not substantially injure the value of adjoining or abutting property, and will not be detrimental to the use or development of adjacent properties or other neighborhood uses.

All adjacent properties are currently developed. The reactivation of this vacant, deteriorating building will have a positive impact on adjacent properties and surrounding uses.

4. That the application will not adversely affect the adopted plans and policies of the Town, or violate the character of existing standards for development of the adjacent properties.

The development will both comply with adopted plans and policies and will improve the character of the surrounding area through the revitalization of an existing historic structure.

EXPLANATION OF PROJECT

Please provide detailed information concerning all requests. Attach additional sheets if necessary.

Simply, the development is for the adaptive reuse of an existing historic structure. The proposed development plan will utilize the existing building and provide up to 16 apartments in the downtown core of Clayton.

STAFF ANALYSIS:**Overview**

The applicant is requesting a Special Use Permit to convert through adaptive reuse the existing office building for up to 16 apartment units on the subject property. The 16 apartment units will be located primarily within the existing structure. The property is zoned Central-Business (B-1). Per UDC requirements, any development of apartments within this zoning district is subject to issuance of a special use permit. Running concurrently with this request, the applicant has submitted a minor site plan application to be reviewed by staff (2017-136-SPM).

Consistency with Adopted Plans:

- **Comprehensive Plan 2040**

The proposed use is consistent with the Future Land Use map, which designates this property as “Downtown Residential”. It is also consistent with Goal D1 of the Comprehensive Plan 2040, which is to promote quality adaptive re-use projects downtown while preserving historic character.

- **Unified Development Code**

The proposed use is generally consistent with the Unified Development Code as an existing fully developed site.

Associated Site Plan

The applicant submitted a minor site plan application (2017-136-SPM), which is running concurrently with this special use permit request. The development will include up to 16 one bedroom apartment units within the existing building.

Parking

No on-site parking is to be provided as a part of this development. The applicant is proposing to utilize the existing parking lot located on the corner of Barbour Street and Horne Street for resident and guest parking.

Landscaping

The UDC requires any property zoned B-1 to provide a Class “B” landscape buffer along all property lines abutting an R-6 zoning district. However, the applicant is not proposing to provide any landscape buffers due to the existing site layout and space limitations. Staff considers the landscaping on-site to be a nonconforming site element, as it does not meet our current requirements. As permitted within the UDC, if site elements cannot be brought into compliance with the current requirements of the code for reasons such as site layout, space limitations, or other natural features, the Planning Director may approve a deviation from the site element requirements.

Mail Kiosks

The applicant is discussing potential mail kiosk locations with the local post-master. They are proposing the mail kiosks to be located indoors, but may locate the kiosks outside the front of the building if required by the Post Office.

Trash Collection

There will be no dumpsters located on the site. Instead, the development will utilize a concierge trash service. Residents will place their trash outside of their units indoors, and the company will remove the trash from the site.

FINDINGS

When considering a Special Use Permit application, the Town Council shall consider specific Findings of Fact. A Special Use failing to meet any of the Findings shall be deemed adverse to the public interest and shall not be approved. The applicant has addressed the Findings of Fact expressly established by Chapter 155.711(I) of the UDC, and these Findings are accepted as part of the completed application.

CONSIDERATIONS:

- The Town Council approves Special Use Permits.
 - Planning Board shall make a recommendation to Town Council.
-

RECOMMENDATION:

Staff recommends **approval with conditions** of the above referenced Special Use Permit

RECOMMENDED CONDITIONS OF APPROVAL:

1. Development of the subject property shall be in accordance with a Developer's Agreement executed between the Town of Clayton and the developer.

Dear Clayton Area Property Owner:

Notice is hereby given that the Clayton Town Council will hold an evidentiary hearing on **Monday, October 2, 2017** to consider the above referenced project. This project requires a Special Use Permit to develop up to 16 apartment units within an existing building, located on property zoned Central-Business (B-1). Per UDC 155.202(A), the use of apartments is permitted in this zoning district subject to issuance of a Special Use Permit. The property is located at the corner of East Second Street and Barbour Street. Please see the map on the back of this letter.

During an evidentiary hearing, the Clayton Town Council must make findings of fact based upon sworn testimony and other credible evidence. Citizens may give testimony in an evidentiary hearing after they have taken an oath. This is an open meeting and the public is invited to attend.

If you should need additional assistance or information, please contact Haley Hogg in the Town Planning Department at 919-359-2102 or email at hhogg@townofclaytonnc.org.

Sincerely,

Haley Hogg, CZO

Representing the town as represented here.

Dear Clayton Area Property Owner:

August 11, 2017

The purpose of this letter is to notify you of an application filed with the Town of Clayton for a land use change or development proposal involving property adjacent to, or in close proximity to, property shown in your ownership by Johnston County tax records. Per Town of Clayton regulations, a Neighborhood Meeting will be held to provide information to area residents about the nature of the proposal. A representative of the applicant will be present to explain their application, answer questions, and solicit comments.

Meeting Date: Wednesday, August 23, 2017 Meeting Time: 6:00pm

Meeting Location: Old Town Hall – 231 E 2nd Street, Clayton, NC 27520 - Garage Bay on Barbour Street

Type of Application: Special Use Permit / Minor Site Plan Approval

Project/proposal property address: Lofts at Old Town Hall – 231 E 2nd Street, Clayton, NC 27520

Description of project/proposal: The development is for the adaptive reuse of an existing historic structure. The proposed redevelopment plan will utilize the existing building and provide up to sixteen (16) apartments in the downtown core of Clayton.

At a minimum, the following will be available for your inspection at the Neighborhood Meeting:

1. A copy of the project application.
2. A map at a scale that is appropriate to the project and shows neighboring properties and roads.
3. A map, drawing, or other depiction of the proposed land use change or development proposal.

A map is enclosed with this letter showing the location of the property that is subject to this application for land use change and/or development proposal. If you have any questions prior to or after this meeting, you may contact us at 919-827-1089 Ext. 101. You may also contact the Planning Department at 919-553-5002.

Sincerely,

A handwritten signature in black ink, reading 'Holton Wilkerson'.

Location of Meeting: 231 E 2ND ST. CLAYTON, NC 27520

Meeting Summary/Minutes: *provide a summary of the discussion held at the meeting, including issues raised and any resolution discussed, and any changes made to the application as a result of the meeting.*

SEE ATTACHED NOTES

Please write clearly (or submit a typed summary). Use additional sheets if necessary.

ATTACHMENT TO SPECIAL USE APPLICATION:

Neighborhood Mtg. Notes:

Q. number of units? A. 15-16 depending on final design.

Q. What about resident/guest/visitor parking? Likely all included in Town lot that used to service this building.

Q. What about the tenants like massage therapist and one other that the Town forced to have parking. Will it be taken away? A. I'm unsure of this and awaiting more information.

Q. Will children be likely to live in the building? A. Can't prevent that but with the likely demographic we'll be marketing to, there may be lower quantity or likelihood.

Q. Where will exterior HVAC units be located? A. on the roof.

Q. What's to be done to the exterior of the building? A. Very little as far as the looks of the building aside from pointing up masonry, cleaning, and otherwise significantly improving the look.

Q. Will the tower(s) be coming down? Yes, it will in the Town's public works folks will be doing the work.

Comments:

- Quality of the tenants is a big concern. I mentioned that to support the amount of investment to be made, the rents would be such that it would not likely be an issue. Same goes for the aesthetics and level of finishes as well.
- Mention of a time capsule that used to be in the building or may still be or could've been moved to Clayton Center?
- Confirmed there will be a window overlooking Priscilla Cannady's house.

FINDINGS OF FACT

Section 155.706(1)(10) of the Unified Development Code requires that certain findings must be made by the Town Council before a Major Subdivision may be approved. Outline below (you may attach additional sheets) how the application addresses each of the following findings:

- (1) That the subdivision meets all required specifications of the town Subdivision Regulations and conforms to the town Unified Development Code.

This proposed subdivision has been designed to adhere to the regulations and guidelines of the Town of Clayton's Unified Development Code

- (2) That the subdivision will not be detrimental to the use or orderly development of other properties in the surrounding area and will not violate the character of existing standards for development of properties in the surrounding area.

This proposed subdivision has been designed to match the flavor and character of adjacent developments as well as other developments in the near vicinity.

- (3) That the subdivision design will provide for the distribution of traffic in a manner that will avoid or mitigate congestion within the immediate area, will provide for the unified and orderly use of or extension of public infrastructure, and will not materially endanger the environment, public health, safety, or the general welfare.

At only 21 lots this proposed subdivision does not pose a threat to the currently existing traffic patterns of this area. In addition it does not access directly onto a major thoroughfare such as US Hwy 70 or NC Hwy 42. Utility services are a combination of public water and individual septic systems. We see nothing in the design or infrastructure of this development that would materially endanger the environment, public health safety or the general welfare of the public.

- (4) That the subdivision will not adversely affect the general plans for the orderly growth and development of the town and is consistent with the planning policies adopted by the Town Council.

This proposed subdivision does not adversely affect the orderly growth and development of the Town and is indeed consistent with the planning policies adopted by the Town Council

ROAD NAME APPROVAL APPLICATION

Road name applications are for public street signs (blades) that are located within the Town limits. Once the public street names have been approved, the applicant must submit a written request to the Town of Clayton Public Works Department identifying the approved blades and their installation location(s). The Public Works Department will order and install the blades along with any required regulatory signage. The applicant will be invoiced for the total cost of the blades, one-half the cost of sign posts and one man hour of labor per sign post.

ROAD NAME GUIDELINES SUPPLEMENTAL INFORMATION

The following guidelines must be followed. Please note that the Town of Clayton reserves the right to not approve any street name that is deemed inappropriate or fails to meet the guidelines.

- ☐ No street names duplicate or sound similar to existing road names.
- ☐ None of the streets are names after individuals.
- ☐ Street names have been limited to 14 characters or less.
- ☐ No compass directions are included in the street names (north, south, east, west).
- ☐ Punctuation marks are not used in the street names (e.g. periods, hyphens, apostrophes, etc.).
- ☐ Double suffixes have been avoided (e.g. Deer Path Lane).
- ☐ All names have acceptable suffixes (e.g. Street, Drive, Court, Lane, etc.). *Please see the Town of Clayton's approved list of suffixes (attached).*
- ☐ Names that are difficult to pronounce have been avoided.

REQUIRED PLANS AND SUPPLEMENTAL INFORMATION

Please submit twice as many road names as needed with highest priority names listed first, written exactly as they should appear on the sign. The Town of Clayton Planning Department will coordinate with the Johnston County Planning Department for joint approval of street names. The Town of Clayton Planning Department will provide the applicant the final approval of street names. Approved street names are reserved for one year.

REQUEST: To develop 21 single-family residential lots on ± 18.64 acres using public water and private septic.

SITE DATA:

Acreage: 18.64 acres
Zoning: Residential-Estate (R-E)
Existing Use: Vacant / Agricultural

ADJACENT ZONING AND LAND USES:

Direction	Zoning	Existing Use
North	Residential-Estate (R-E)	Single-family residential
South	Residential-Estate (R-E)	Single-family residential and Agricultural
East	Residential-Estate (R-E)	Single-family residential
West	Residential-Estate (R-E)	Vacant

DEVELOPMENT DATA:

Proposed Uses: Single-Family Homes
Buildings: 21 buildable lots proposed
Density/Intensity: 1.12 dwelling units per acre
Required Parking: 2 spaces per single family home
Access/Streets: One new access point off of Guy Road, and one connection to existing stub at Huntsbridge Drive.
Water Provider: Johnston County

Sewer Provider: private septic
Electric Provider: Duke Energy

STAFF ANALYSIS:

Overview

The applicant is requesting to develop a 21-lot, conventional single-family residential subdivision, with a minimum lot size of 25,000 sq ft (just over ½ acre), which is in accordance with a recent ordinance amendment. The average lot size is upwards of 38,000 sq ft (approx. 0.88 acre). The subdivision will utilize public water from a Johnston County water line in the Guy Road right-of-way. The lots will have private septic systems, similar to all other adjacent homes on that side of Guy Road. The development will also build internal streets to NCDOT standards and will not be annexed into the Town of Clayton.

Consistency with Adopted Plans

- **2040 Comprehensive Plan**

The Future Land Use for this area is designated as Low Density Residential, which accommodates R-E zoned residential developments.

- **Unified Development Code**

The proposed development is generally consistent with the requirements of the Unified Development Code (UDC). A recent ordinance amendment to the Unified Development Code allows minimum lot sizes of 25,000 sq ft for this type of residential subdivision.

Compatibility with Surrounding Land Uses

Surrounding uses are either single family residential (R-E zoned) or vacant / agricultural land.

Landscaping and Buffering

The applicant is proposing to provide one street tree per lot, as required by Town of Clayton's Unified Development Code. A Class "A" landscape buffer is also required (and provided) along Guy Road. No other landscaping or buffers are required.

Mail Kiosk

A mail kiosk is proposed near Guy Road, and is most easily accessible to vehicles leaving the site. It has a pull-off space to accommodate nearly one parallel parking space. It does not currently appear to meet ADA accessibility

requirements, but review will occur during building permit application for the kiosk area to ensure that it meets applicable portions of the NC State Building Code.

Access/Streets

Access to the subdivision is proposed to be from Guy Road, with additional connection to and existing stub-out at Huntsbridge Drive, which connects to the adjacent residential neighborhood. Huntsbridge Drive will be extended through to the west, to stub-out to an adjacent, undeveloped parcel.

Access to parcels to the north is preserved by the 50' access easement, which may be developed as a paved street should those parcels develop. Likewise, another 50' access easement exists across the northwest most parcel at the end of Englewood Drive. (Note: This easement is not shown on these plans.)

Multi-Modal Access

Sidewalks are not proposed as part of the street cross section.

Waivers/Deviations/Variations from Code Requirements

The applicant is requesting the following waivers:

1. Waiver from providing a curb-and-gutter street - §155.601(B)(1).
2. Waiver from providing sidewalks - §155.602(H)(1).

Each of these requested waivers must meet the standards of §155.706(I)(7), which is reproduced below:

(7) Waivers

- a) The Town Council may authorize, in specific situations, waivers to certain requirements of §§ 155.600 through 155.607 if it is clear that adequate provisions for the type and intensity of the proposed use has been or will be provided, and there are special circumstances, such as unique characteristics of the lot and area, or strict interpretation of the requirements render the subdivision of the property not feasible or desirable.
 1. The granting of the waiver will not be detrimental to the public safety, health, or welfare or injurious to other property or improvements in the neighborhood in which the property is located;
 2. The conditions upon which the request for a waiver is based are unique to the property for which the waiver is sought and are not generally applicable to other property;
 3. Because of the particular physical surroundings, shape, or topographical conditions of the specific property involved, a particular hardship to the owner would result, as distinguished from a mere inconvenience, if the strict letter of this chapter are enforced; and
 4. The purpose of the waiver is not based primarily upon financial consideration.
- b) In granting a waiver, the Town Council may require certain conditions that in its judgment, substantially secure the objectives, standards or requirements of this chapter.

CONSIDERATIONS:

- The applicant is requesting Preliminary Subdivision Plat approval for a 21-lot single-family residential subdivision.
- The applicant is requesting waivers from:
 1. Providing curb-and-gutter streets - §155.601(B)(1)
 2. Providing sidewalks - §155.602(H)(1)
- This preliminary plat is subject to final approval by Town Council.

Staff recommendations on waivers (see “Waivers” section of Conditions for details):

1. Approval with condition.
2. Approval.

FINDINGS:

The applicant has addressed the Major Subdivision Approval Criteria outlined in UDC Section 155.706.

CONDITIONS:

If approved, staff recommends the following Conditions of Approval be applied:

1. Following Board approvals, three copies of the final Preliminary Subdivision Plan (Preliminary Plat) meeting the requirements of the Conditions of Approval shall be submitted to the Planning Department for final approval. The following items shall be recorded on the plans before they receive final approval from the Planning Department:
 - a. All Conditions of Approval shall be recorded on the Preliminary Subdivision Plan sheet.
 - b. The “number of lots” in the Site Data Table shall be revised to reflect the actual number of resulting lots (21), which includes the ±3.3 acre “remainder lot” in the north.
 - c. The Site Data Table density calculation shall be revised.
 - d. The ±3.3 acre “remainder lot” in the north shall be labeled at Lot 21.
 - e. Streets shall be labeled based on the public entity to whom dedication is intended.
 - f. A note/label shall be provide on the Preliminary Subdivision Plan sheet designating that portion of Huntsbridge Drive that will be paved.
2. The final plat and subsequent development of the site shall be consistent with the specifications of the approved Preliminary Subdivision Plan. Modifications shall require additional approvals pursuant to §155.706 of the Unified Development Code.
3. All development fees shall be paid at building permit issuance, with the exception of recreation fees, which will be paid at plat.
4. The landscaping buffer along Guy Road shall be installed prior to plat or shall be bonded.
5. Sidewalks shall be provided according to NCDOT specifications for this type of street cross-section.
6. The road name “Avery Farm Lane”, that provides E911 addressing for the homes located north of this proposed subdivision, shall be preserved and the existing signs shall be relocated (if necessary) in such a

way as to provide no lapse in emergency services provision to these properties. Any relocation of these signs shall be coordinated with the appropriate emergency services agencies, the Town of Clayton Planning Dept., Town of Clayton Fire Dept., the County, and all other relevant agencies.

7. As a stub-out that is dedicated at the property line from the adjacent neighborhood, Huntsbridge Drive is a required connection to this subdivision for purposes of interconnectivity and public safety. The unpaved portion of Huntsbridge Drive shall be paved from the Avery farm property line to the connection at Englewood Drive. This shall occur (or be guaranteed) prior to platting.

STAFF RECOMMENDATION:

Approval with conditions.

RE: Project # 2017-100-SD, Avery Farm residential subdivision

Dear Clayton Area Property Owner:

The Clayton Town Council will hold an evidentiary hearing on Monday, October 2nd, 2017 at 6:30 PM at Town Hall, 111 East Second Street, to consider a request to subdivide and develop 18.6 acres into 21 single-family residential lots. The property is located west of Englewood subdivision and Huntsbridge Drive, and north of Guy Road. Please see the map on the back of this letter. The present zoning is R-E (Residential-Estate) and the property is located within the Town's extraterritorial planning jurisdiction. The parcel tag number is 05g02033.

Based upon records in the Johnston County Tax Office, you are the owner of property that is within 100 feet of this request. You are invited to attend this meeting and express your opinions on this request to Council. During an evidentiary hearing, the Clayton Town Council must make findings of fact based upon sworn testimony and other credible evidence. Citizens may give testimony in an evidentiary hearing after they have taken an oath. This is an open meeting and the public is invited to attend.

If you should need additional assistance or information, please contact the Planning Department at (919) 553-5002 or jwmcleod@townofclaytonnc.org.

Sincerely,

Jay McLeod, AICP
Senior Planner

CERTIFICATION OF MAILING NOTICE
TOWN OF CLAYTON

In accordance with the requirements of Section 105.702(D)(2)(c) of the Unified Development Code of the Town of Clayton, I hereby certify that the undersigned has this date mailed a notice of the proposed request to the owners of all parcels of land within 100 feet and immediately abutting that (those) parcel(s) of land¹, as shown on the County Tax Listings, by depositing a copy of the same in the United States Mail, first class postage paid, in an envelope addressed to the property owners whose names and address are as follows:

(see attached addresses and copy of letter)

This the 11th day of Sept., 2017

Name (print): JAY McLEOD

Signed: 

PROJECT #/Name: 2017-100-SD, AVERY FARM SUBDIVISION

Notes:

1. Where the subject property immediately adjoins a public or private right-of-way, landscape, or riparian buffer, commonly-owned private area, public property, or homeowners' association property, then letters of notification shall be sent to adjoining property owners as if they directly abut the subject property.

NEIGHBORHOOD MEETING SUMMARY FORM

FILL OUT THE FOLLOWING:

Date of Mailing: June 28, 2017

I hereby attest that letters were mailed to the addresses listed on the Adjacent Property Owners List (attached):

Date of Meeting: July 11, 2017 Time of Meeting: 7:00 pm

Location of Meeting: 314 E. Main St. Clayton, NC 27520

Meeting Summary/Minutes: provide a summary of the discussion held at the meeting, including issues raised and any changes made by the applicant as a result of the meeting.

See attached minutes

Please write clearly (or submit a typed summary), and use additional sheets if necessary.

Neighborhood Meeting Avery Farm
314 E. Main St. Clayton, NC
July 11, 2017
Time: 7:00pm

Donnie Adams opened the meeting at 7:07 and gave a general overview of the project and opened the floor for questions.

Resident: Is there going to be a birm around the perimeter?

James Lipscomb: Its similar residential backing up to similar residential so no birm required. It will be grassed. If there is a surplus of dirt remaining form street construction it may be used for a birm as available.

Resident: Are you taking out any trees along the property lines?

James: We don't have plans to take out any trees around the perimeter.

James: The average price house will be around \$300 range. We expect the houses to be around 2800sf to over 3000sf.

Resident: Are you dealing with any variances?

Donnie: Explained that no variance is necessary due to pending rule changes with density.

Resident: When will they start building houses?

Donnie: Town approval expected in September. Vertical construction, most likely just after the first of the year.

Resident: Who will be the builders?

James: We would like to have at least three. Most likely One 27 Homes, Weaver, and Weston Homes.

Resident: What is the plan for the Old Avery Farm Ln. (the 50' access easement)?

James: The preference would be for three property owners to give up the easement from Guy Rd to Huntsbridge Dr. If they choose to keep it we will have to work around it.

Resident: Has to call NCDOT to fill in holes in road in Buckingham and is concerned about additional traffic through her neighborhood.

Resident: Is there going to be a turning lane on Guy Rd?

Donnie: Due to the low number of lots in this subdivision NCDOT is not requiring a turn lane.

Residents: Several accidents have occurred near the exiting entrance to Buckingham S/D

Donnie: I conducted an onsite evaluation and confirmed that there is sufficient sight distance in both direction per NCDOT access requirements.

Resident: Do you know how lots will be assigned for builders?

James: Not at this time.

Resident: Will this project have sidewalks?

Donnie: The developer may choose to install sidewalks - its undetermined at this time.

James: We are asking the town address the sidewalk situation given the rural character of the surrounding area.

Resident: Sounds like this is going to be a good place

Resident: Concerned about existing drainage problems from NCDOT R/W. Please pay attention to the stormwater drainage across the road (through the existing storm drain)

Donnie: This project goes before the Clayton Planning Board Monday, June 24th, then to Town Council work session in August with a final decision at the September 5 Town Council meeting.

Resident: How much proposed impervious area?

Donnie: Under 15 percent impervious.

Resident: Who determines the type and size of houses? Why wouldn't you build little modest houses?

Donnie: It's up to the developers and builders. They know what the market demand is in this area and make appropriate judgements.

Resident: Is the subdivision going to have covenants? As far as the size of the houses.

Donnie: There will be an HOA with covenants.

Donnie asked for further questions. Hearing none, the meeting adjourned at 7:46

June 28, 2017

Dear Clayton Area Property Owner:

The purpose of this letter is to notify you of an application filed with the Town of Clayton for a land use change or development proposal involving property adjacent to, or in close proximity to, property shown in your ownership by Johnston County tax records. Per Town of Clayton regulations, a Neighborhood Meeting will be held to provide information to area residents about the nature of the proposal. A representative of the applicant will be present to explain their application, answer questions, and solicit comments.

Meeting Date: **Tuesday, July 11, 2017**

Meeting Time: **7:00 p.m.**

Meeting Location: **114 W. Main Street
Clayton, NC 27520**

Type of Application: **Major Subdivision Plan**

Project/proposal property address: **1872 Guy Rd, Clayton, NC 27520, north side of Guy just west of Englewood Dr.**

Description of project/proposal: **The proposed project is a 20 lot single family residential subdivision which will be serviced by public water and individual septic systems.**

At a minimum, the following will be available for your inspection at the Neighborhood Meeting:

1. A copy of the project application.
2. A map, drawing, or other depiction of the proposed land use change or development proposal.
3. A map at a scale that is appropriate to the project and shows neighboring properties and roads.

A map is enclosed with this letter showing the location of the property that is subject to this application for land use change and/or development proposal.

If you have any questions prior to or after this meeting, you may contact us at (919)763-7278.

You may also contact the Planning Department at 919-553-5002.

Sincerely,

Donald C. Adams, Jr., PE

PETITION FOR VOLUNTARY ANNEXATION

VOLUNTARY ANNEXATION: Upon receipt of a valid petition signed by all of the owners of real property in the area described therein, the Town may annex an area either contiguous or not contiguous to its primary corporate limits when the area meets the standards set out under North Carolina General Statutes 160A-31 and 160A-58.1.

Applications are due by 5pm on the first working day of each month.

Request Information

☒ **Contiguous Annexation**

☐ **Non-Contiguous Annexation**

The following items must accompany an annexation petition:

To be completed by the applicant:	Included?	
	Yes	No
1. Petition for Annexation with original signatures	☒	☐
2. A boundary plat of the area to be annexed meeting requirements of the Plat Checklist (included in this application packet).	☒	☐
3. Legal Description (metes and bounds)	☒	☐

PROCESS:

Review by Staff: The Planning, Engineering and Public Works Departments review the annexation submission. Comments will be sent to the applicant.

Annexation Plat Submission: After the map and legal description are deemed sufficient by the Town, the applicant is required to submit two (2) Mylar annexation plats to the Planning Department.

Town Council Meeting: The Town Council will pass a resolution directing the Town Clerk to investigate the annexation petition. The Town Clerk will present to the Town Council a Certificate of Sufficiency indicating that the annexation petition is complete. A resolution setting the date of the public hearing is then approved.

Legal Advertisement: A legal advertisement will be published no more than 25 days and no less than 10 days prior to the date of the public hearing.

Public Hearing/Town Council Meeting: The Town Council will either adopt or deny an ordinance to extend the corporate limits of the Town of Clayton.

Recordation: If the annexation is approved by the Town Council, the Annexation Plats shall be recorded at the appropriate county Register of Deeds.

[§ 98.01 Definitions](#)

[§ 98.021](#) Unreasonably loud or disturbing sound levels

[§ 98.03 Exempted activities](#)

[§ 98.042](#) Prohibited activities

[§ 98.053](#) Presumption in prosecution

[§ 98.99](#) Penalty

[§ 98.00 PURPOSE.](#)

[The purpose of this chapter is to prohibit unnecessary or unusually loud noises within the Town and to establish regulations for the control and enforcement of noise.](#)

Statutory Reference:

Authority to regulate noise, see G.S. § 160A-184

[§ 98.01 DEFINITIONS.](#)

[The following words, terms, and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning.](#)

[Daytime](#)

[7:00 a.m. until 10:00 p.m., local time.](#)

[Emergency Work](#)

[Any work or actions that must be undertaken immediately or within a time frame too short to allow full compliance with this Chapter, to avoid an immediate threat to public health, public safety, or serious environmental degradation.](#)

[Nighttime](#)

[10:00 p.m. until 7:00 a.m., local time.](#)

[§ 98.021 UNREASONABLY LOUD OR DISTURBING SOUND LEVELS.](#)

It shall be unlawful for any person, firm or corporation to create or assist in creating any unreasonably loud, disturbing sound levels within the corporate limits of the town, taking into consideration volume, duration, frequency and other characteristics of the sound.

(Ord. passed 9-6-94)

§ 98.03 EXEMPTED ACTIVITIES

The following activities are exempted from the time restrictions:

(A) Work or actions taken by the Town of Clayton, or its contractors, within the Central Business District (Main Street area) of the Town of Clayton. Work or actions may include, but are not limited to garbage collection, street sweeping, leaf blowing, power washing, or other similar activities which must be performed before businesses open.

Commented [BM1]: Seems like an incomplete sentence. Or is this a definition of exempted activities?

(B) The installation (including excavation), demolition, alteration or repair of public infrastructure by the Town of Clayton, or its contractors, when necessary to avoid lengthy service delays, mitigate traffic issues or concerns, handle non-emergency utility system modifications during periods of lower activity, or utilize off-hours service interruptions to minimize customer inconvenience.

§ 98.042 PROHIBITED ACTIVITIES.

The following activities, among others, are declared to be unreasonably loud, disturbing sound levels; however, such enumeration shall not be deemed exclusive:

____(A) The playing of any musical instrument, radio, phonograph, television, sound reproduction instrument, or amplifier in such a manner or with such volume, at any time of day or night, that a reasonably prudent person would recognize the same as likely to unreasonably disturb persons in the vicinity.

____(B) The operation of any motor or motorized equipment, except for emergency purposes, at any time between 9:00 p.m. and 7:00 a.m. on any day of the week which unreasonably or unnecessarily annoys, disturbs, injures, or endangers the comfort, repose, health, peace, or safety of others within the town.

____(C) The keeping of any animal, including birds, which makes frequent or long continued sounds, such that a reasonably prudent person would recognize the same as likely to unreasonably disturb persons in the vicinity.

____(D) The use of any automobile, motorcycle or vehicle so out of repair, so equipped or operated in such a manner as to create unreasonably loud, disturbing sounds.

~~(E) The operation of any nonconforming use in any zoning district within the town so as to cause any unreasonably loud, disturbing sounds to be emitted.~~

~~(E) The use of any mechanical device operated by compressed air, unless the noise created is effectively muffled and reduced, except for emergency purposes, at any time between 10:00 p.m. and 7:00 a.m. on any day of the week which unreasonably or unnecessarily disturbs persons in the vicinity.~~

____(F) The sounding of any horn, siren or signal device on any motor vehicle, except as a danger signal to the public. Police, fire, ambulance or other emergency vehicles are exempted.

____(G) The creation of unreasonably loud, disturbing sound adjacent to any school, educational facility, church or court during normal operating hours, which a reasonably prudent person would recognize as likely to unreasonably interfere with the working of such institutions.

____(H) The erection (including excavation), demolition, alteration or repair of any building in a residential or business district other than between the hours of 7:00 a.m. and 10:00 p.m. on any day,

except in the case of urgent necessity, security concerns, or in the interest of the public safety, and then only under the direction of the appropriate town official.

Commented [BM2]: Maybe consider expanding the interest more broadly than just public safety. Would construction on the Clayton Mart's front door be exempted under this portion? Wasn't necessarily a public safety issue per se.

____(I) The use of any electronic sound amplification equipment for advertising or solicitation purposes, except with a permit lawfully issued by the town.

____(J) The firing or discharging of firearms anywhere within the town for the purpose of making noise or creating a disturbance.

____(K) The shouting and crying out of any person, including but not limited to peddlers, barkers, hawkers, or vendors, which disturbs the quiet and peace of the neighborhood.

____(L) The creation of loud or excessive noise in connection with loading or unloading of any vehicle, or the opening and destruction of bales, boxes, crates and containers.

____(M) The collection of garbage and/or recyclables between the hours of 10:00 p.m. and 7:00 a.m. This provision shall not apply to industrial facilities located in industrial zoning districts as defined by the Unified Development Code.

(Ord. passed 9-6-94)

(1) § 98.0~~53~~ PRESUMPTION IN PROSECUTION.

The complaints of two or more persons, at least one of whom resides in a different home from the other complaining person or persons, or the complaint of one or more persons when combined with the complaint of a duly authorized law enforcement officer shall be considered enough (prima facie evidence) evidence that the sound is loud and annoying, disturbing, unnecessary and unreasonably loud.

(Ord. passed 8-1-83; Am. Ord. passed 9-6-94)

§ 98.99 PENALTY.

A violation of any section of this chapter by any person shall be a misdemeanor and shall subject the offender to a fine of up to \$50 and/or imprisonment not to exceed 30 days. Each day of a continuing violation shall constitute a separate violation.

(Ord. passed 8-1-83; Am. Ord. passed 9-6-94)

PUBLIC NOTICE

In accordance with NC GS 160A - 384, the Clayton Town Council will hold a public hearing on Monday, October 2, 2017, at 6:30 PM at Town Hall, 111 East Second Street, to consider an Ordinance Amendment to Chapter 98 Noise of the Town of Clayton's Code of Ordinances. The Clayton Town Council reserves the right to approve the request as presented or any portion of the request without necessity of withdrawal or modification of the application or additional public hearing on the matter. This is an open meeting and the public is invited to attend.
