- b. Field of Flowers Update

Presenter:

Dane Martin

Chair Martin stated he went to the storage unit to get everything for this project. There was discussion on where throughout the Town to place these and further discussion on reaching out to downtown business owners for their participation. The board members discussed who would reach out to which businesses. The board stated they would like this to be completed around Easter. It was suggested to have the cluster of flowers pop up throughout Town on different days, to have them appear sporadically. A name for the project was decided, "Clayton in Bloom".

Presenter:

Dane Martin

An update was not provided. Board Member Ameigh stated she could reach out to Library Advisory Board Member Julia Curran to discuss more details about the mural.

- d. Downtown Mural Program Application Update

Adriana Ameigh

Ms. Holland stated after a new mural was discovered downtown that did not go through the process, she spoke with Planning Director Conrad Olmedo about this process.
