3. OLD BUSINESS

- a. Sculpture Trail Update

Presenter:

Dane Martin, Chair

Ms. Holland stated an appraiser needed to be hired to evaluate the current sculptures. In the past, art consultant Jim Davis, a certified appraiser, performed these appraisals. The Town's insurance policy requires any sculpture valued over \$5,000 be appraised by a certified appraiser. Vicky Nash Shaw provided a quote of \$150 per hour, with each sculpture taking approximately one hour to appraise. The board discussed exploring alternative options for next year's trail.

The proof of the brochure was shared with the board. Staff was asked to provide two additional color palette options incorporating teals and purples for the board's review.

- b. Clayton in Bloom Update

Presenters:

Dane Martin, Chair

Jess Stambaugh, Vice-Chair

Chair Martin provided an inventory of the number and sizes of flowers that have been assembled and are ready for installation. Public Works staff had expressed concern with Ms. Holland about the potential for the stakes to strike underground utility lines. Chair Martin stated he would contact 811 the following day to have any underground lines located and marked. It was suggested that installation begin in the Horne Square roundabout and along the rear side. Board members indicated they would be ready to proceed with installation once the lines are identified and the areas are confirmed clear.

- c. Library Mural Update

Presenter:

Dane Martin, Chair

Board member Ameigh stated she has not heard anything regarding the mural so an update was not available.

4. NEW BUSINESS

- a. Square-to-Square Street Festival

Presenter:

Dane Martin, Chair

There was a Board discussion regarding activities for the event. Ideas included offering prizes for both adults and children, as well as holding a raffle for a large prize. Ms. Holland confirmed the Town would provide tablecloths and a banner for the board for this event.
