3 OLD BUSINESS

- a) Parks and Recreation Bond Progress
Presenter: Scott Barnard, Parks and Recreation Director

Discussion over bond progress is moving forward. We are have been getting lots of input from the steering committee and will continue to get feedback from stakeholders in the next few weeks.

- b) Covid-19
Presenter: Scott Barnard, Parks and Recreation Director

The community center remains closed and staff is still taking precautions during this time. Masks are being worn when staff can not social distance and maintenance crews continue to clean playground equipment multiple times a day. Halloween events are unfortunately cancelled this year, however we are looking into doing a movie at Town Square. The community center will most likely remain closed through the rest of 2020. Construction on the building is set to start soon.

- c) Follow up from meeting with McAdams and HH
Presenter: Scott Barnard, Parks and Recreation Director

Thank you to everyone who was able to show up for the steering committee meeting with McAdams and HH. They both took notes regarding our ideas and feedback. If you have any other ideas or suggestions, please send them our way so that we can continue to communicate with the architects.

4 NEW BUSINESS

- a) Approval of 2021 Recreation Advisory Board Meetings

Motion: Board Member Emily Beddingfield
Second: Board Member Butch Lawter
Vote: Unanimous

5 STAFF REPORTS

- a) Athletics

Adult athletics are about to begin, including soccer and softball. Hoping to get some basketball clinics going once the community center reopens, we hated to miss the season but are looking forward to a successful 2021 season.

- b) Programming

Outdoor fitness classes are still in session, and the turn out has been great. These classes will stop at the end of October due to weather changing. Will still offer as much as we can, possibly do a virtual Santas workshop event. Joni did a great job with bingo, and our Halloween cutouts were a huge hit as well. Will hopefully have some type of game for the holiday season. Stephanie is going to begin an online couponing class, and we will be offering a babysitter training course in a few weeks.

- c) Facilities

Construction has not begun yet, but the contractors have been by several times making final plans. Hoping to start anytime now. Contractors will begin with expanding the track area for more equipment. The track will receive a full makeover, and the basketball court will be sanded all the way down and redone. We are excited about these renovations and looking forward to when

the public can see them.
